

We make it *possible*

Powertrain Isolators

Medium & Heavy Duty Trucks

- » Custom designed for maximum performance and durability under all operating and loading conditions.
- » Integral motion-limiting features handle high torque loads.
- » “Tunable” stiffness to accommodate multiple powertrain offerings.
- » Developed in partnership with truck manufacturers to achieve vehicle-level noise, vibration and harshness (NVH) targets.
- » Fatigue resistant elastomers specially formulated for under-hood environment.
- » Backed by Hutchinson technical support throughout the product lifecycle.
